My Pet Dinosaur

Written and Illustrated by: **Beth Love**

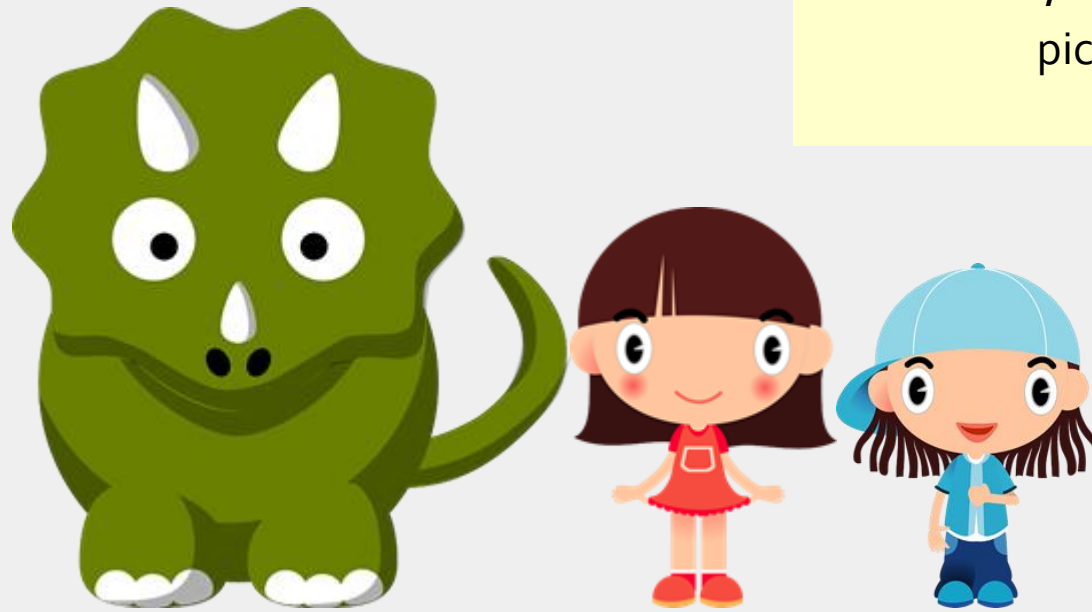

In TechnoStories primary students learn basic word processing skills. The activities actively engage students in the writing process.

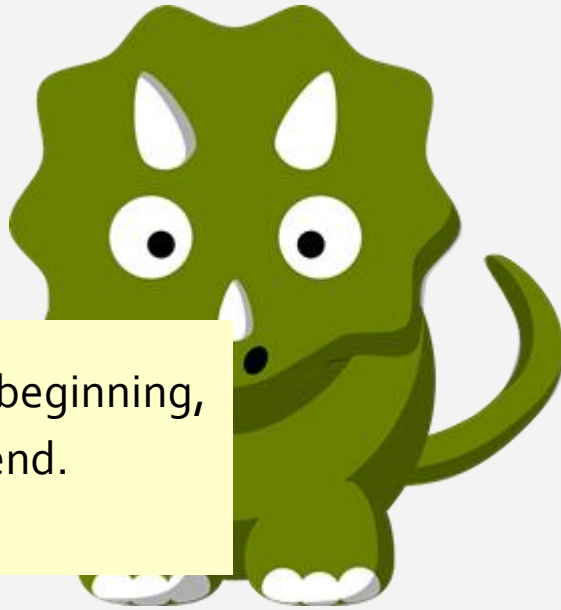

You won't believe it! I have a pet dinosaur.

Write text and format the font, size, and color.

Search for, insert, and resize pictures.

My friends like to ride on its back.
They slide down his tail.

Write a story with a beginning, middle, and end.

I am so happy. I have the best pet!

Email the story to share it with friends, parents, or teachers.
